PUNCAK- In a powerful demonstration of solidarity and service, the Raider Infantry Battalion 323/Buaya Putih Kostrad partnered with the people of Ambobera Village, Beoga District, to transform their community through meaningful social service. This initiative, held on Thursday, November 21, 2024, showcases the Indonesian Armed Forces' (TNI) unwavering commitment to fostering unity and progress in Papua Tengah Province.

The 323 Task Forces, under the leadership of First Lieutenant Galang from

Gome Post, collaborated with community leaders to design activities that addressed pressing local needs. The plan, developed through open dialogue with residents, included painting the village church and distributing food packages to the community.

A Shared Mission, A Shared Joy

The day was filled with laughter, hard work, and camaraderie as soldiers and villagers worked side by side. For many, it was more than just a community service event—it was a celebration of partnership and shared purpose.

Mr. Matius Wonda, a respected community figure, expressed heartfelt gratitude. “Thank you, Commander 323. The Ambobera community embraced this initiative wholeheartedly. God bless you,” he said, capturing the spirit of hope that permeated the day.

A Leader’s Vision

Lieutenant Colonel Tri Wiratno, Commander of Task Forces 323, emphasized the importance of prioritizing the community's well-being. “This is about more than meeting immediate needs; it’s about building trust, fostering unity, and creating a foundation for lasting progress,” he remarked.

Recognition from the Top

The initiative earned praise from Brigadier General Lucky Avianto, Commanding General of HABEMA. “The efforts of the 323 Task Forces reflect the TNI’s dedication to inclusive Social Communication and the acceleration of development in Papua. This collaboration is a testament to the power of unity in shaping a better future,” he stated.

Hope and Progress in Action

The success of this initiative is a reminder that even small actions can spark significant change. By working together, the TNI and Ambobera residents showcased the potential of partnerships to build stronger, more resilient communities.

The 323 Task Forces’ dedication to professionalism, responsiveness, and inclusivity reinforces the TNI’s role as a pillar of support and progress for the people of Papua.
