After receiving the Soldiers' free packages, the residents' joy was immediately visible from their smiles and laughter. God bless TNI", a powerful testament to the strong bond between the community and the Task Forces. This heartwarming response from the community not only underscores the impact of the Task Forces' efforts but also the unity and support in the disaster-affected area.

After receiving the activity report, the HABEMA Commanding General, Brigadier General Lucky Avianto, acknowledged the 503 Task Forces' initiative to help the Mumugu residents who experienced the flood disaster.
