PUNCAK- One of the military units under the command of the Indonesian Armed Forces Operational Command HABEMA, the Task Forces of the Raider Infantry Battalion 323/Buaya Putih Kostrad, is currently conducting mobile security at the border of Indonesia and Papua New Guinea, especially in the Puncak Regency, Papua Tengah Province. On Tuesday, 3 September 2024, the 323 Task Forces, especially the Sinak Post led by Major Firman Permana, held a Territorial Activity entitled "Free Health Treatment" for residents of Kelemame Village, Sinak District. This activity, a testament to their dedication, helped the residents with

difficulties in the health sector, one of the community's basic needs.

In conducting routine duties, the 323 Task Forces have actively carried out security activities in its area of responsibility. On Tuesday, during its routine task, the Sinak Post had its Medical Team conduct free Health Treatment for the community. The free Health Treatment included general medical check-ups, treatment for minor illnesses, provision of vitamins, and education about the importance of maintaining cleanliness and living a healthy lifestyle.

On Tuesday morning, the Kelemame residents actively participated in the 'Free Health Treatment' initiative at the Post. One of them was Mama Ever Turnib, who received health treatment for her flu illness, as well as the provision of medicine and vitamins. After the treatment, Mama Rut expressed her gratitude, saying, "Thank you, Commander 323. I feel better now. God bless."

After receiving the activity report, the HABEMA Commanding General, Brigadier General Lucky Avianto, acknowledged the 323 Task Forces' initiative to hold 'Free Health Treatment' for residents of Kelemame Village. His words: 'The 323 Task Forces' initiative is a testament to TNI's commitment to helping the residents with difficulties in the health sector, one of the community's basic needs, to support the acceleration of development in the Papua region.' This acknowledgment from the highest authority in HABEMA underscores the significant impact of such initiatives on the region's development, instilling a sense of progress and hope about their potential to positively shape the region's future. It makes the Task Forces and the community feel recognized and appreciated for their efforts.
